YOUR NEW PATH

Often, we consider a new approach to be path-breaking; and mostly it is true. Even if not a paradigm shift, some tasks feel easier only once complete. ORBIT is one such project. Not just by the virtue of its location or design or project-mix but by the sheer 'Teaming-Up' of three developers bringing their uniqueness and varied experiences to the table. And as we believe nothing happens perchance, the stars have aligned to bring you a project like ORBIT.

A most sought after location, brilliantly designed architecture and a future 'address' for all, ORBIT is conceived to create that impetus for the desired growth trajectory. For office & shop owners, partners and our investors.

A mix of Retail and Work Spaces adequately fed by the necessary facilities, amenities and ancillaries, ORBIT is poised to put your future into the right motion.
